Please review the following information thoroughly before completing the remainder of the application. The deed restriction states as follows:

“...All fences, walls and constructed barriers shall comply with all governmental regulations and shall be approved by the Developer in writing prior to commencement of the construction thereof...”

**The Lexington-Fayette Urban County Government requires a building permit for a fence. Please attach a copy of the permit from LFUCG Division of Building Inspection with this application. The Association will not review applications without this permit. Please mail, email or fax the completed application to All Points Community Management. Please allow seven to ten business days for a response to this application from the Association.**

### Description of Proposed Fence

Please confirm fence as 5-6' Shadow-box type, and color. A picture or brochure is helpful.
